

Certified Professional - Agile Team Facilitator

The [Certified Agile Team Facilitator](#) workshop provides you with the necessary skills to design online and in-the-room meetings for maximum impact.

You will come away with both updated toolkits and practical experience that you can use back in the workplace and with your remote teams while leveraging your new skill sets to facilitate agile practices towards successful team outcomes.

Learn how to foster a feeling of safety so that everyone feels heard online using quickly effective and engaging remote collaboration tools that allow you to think and collaborate visually anytime, anywhere.

The ICP-ATF is one of two knowledge-based certifications on the Agile Coaching track. The certification focuses primarily on the mindset, roles, and responsibilities of an Agile Coach.

What participants will learn

- Development path for Agile Coaching
- The Agile team facilitation mindset
- Foundational facilitation skills
- Conducting a facilitated session
- Facilitating collaborative meetings
- Skilfully facilitating the agile practices

What participants will get

- On successful completion of this training, you will receive the ICAgile Certified Professional – Agile Team Facilitator (ICP-ATF) credential
- Course completion certificate
- Training from seasoned Agile coaches who bring over a decade of experience each to the classroom
- Access to supporting course materials
- 16 [Scrum Education Units \(SEUs\)](#)
- [Project Management Professionals® \(PMP\)](#) can claim 16 PMI PDUs
- 45 days of free access to our [Agile Success Academy](#), including our ever-growing library of self-paced, on-demand courses, live masterclasses, private learner community, and live Q&A sessions with experienced trainers.

Please note that full attendance to the four-part days is mandatory in order to be registered for the associated certification.

Who should attend

- ScrumMasters, Agile Project Managers, Agile Coaches, aspiring coaches, Product Owners, Business Analysts, and anyone with the desire to explore the power of facilitation.

Prerequisites

Delegates should have 6+ months of agile experience. Dedicated coaching experience is not required.
